Family Book Club Meeting 1

Chattanooga Valley Middle School

November 14, 2018

6:00 pm

Mrs. Stewart welcomed families and students to the first meeting of the family book club for “I Survived Hurricane Katrina” and explained how the book club works. One adult and one child receive a copy of the book. They read it together or alone at their own pace and discuss the book. We will meet again in March to discuss the book as a group. Mrs. Stewart discussed the tips for supporting middle school readers. Attendees were asked to complete an evaluation.
