Family Book Club Meeting 2

Chattanooga Valley Middle School

March 2, 2019

6:00 pm

Mrs. Stewart welcomed families and students to the second meeting of the family book club and invited them to enjoy light refreshments. Anna Lyons found the baby in her piece of the King Cake. Adults and students discussed their general impressions of the book. Mrs. Stewart asked open-ended questions like, "What surprised you about the book?" Mrs. Stewart and I laid out giant sheets of paper and she wrote questions on each sheet. Adults and students were encouraged to answer the questions and move on to the next table. We then discussed the results. Attendees were asked to complete an evaluation and the meeting was adjourned.
