After School Event Conduct

Students, please remember that attending after school events (sporting events, dances, parties, etc.) is a privilege and you represent Chattanooga Valley Middle School with your words and actions.

The "Code of Conduct Rules" beginning on page 22 of the FYI 2018 handbook that came home the first day of school "are in effect in the following places:

- At school or on school property at any time,
- Off school grounds at any activity, function or event and while traveling to and from such events."
